

# Battle of Homestead Foundation Join Us!

Mission: The Battle of Homestead Foundation (BHF) is a non-profit, charitable organization of citizens, workers, trade unionists, educators, artists, and historians who come together to interpret, preserve, and promote labor and people's histories, and to provide a forum for speakers and events at the historic Pump House, the site of the Battle of Homestead on July 6, 1892. The mission of BHF is to both memorialize the tragic events of 1892 and to clarify the consequences that remain with us yet today.

Membership: Members receive notice of all BHF events and business and receive a complimentary membership in the Heinz History Center. Only members are eligible to vote for Directors of the BHF Board. Membership is open to all persons who pledge to support the BHF mission and make an annual donation.
